

**CITY OF
PERTH**

City of Perth Permit Parking Collection Notice

The City collects your personal information to meet legal requirements including for:

- the *City of Perth Act* 2016;
- the *Local Government Act* 1995 and regulations; and
- other legislation such as the *Electronic Transactions Act* 1999 (Cth), banking and financial arrangements and regulations.

For these local government functions and activities, the information collected as part of your enquiry or application may include your personal information and any attachments you provide. The City collects this information so it can:

- confirm receipt of your contact and/or application;
- review your application and any account arrangements;
- contact you if information is needed;
- keep you informed of any application or services, including where necessary changes to parking and related services ; and
- payment for goods and services, including parking and access fees, charges, infringements and/or fines and related administrative and permitted costs.

If you do not provide the required information, the City will not be able to accept your enquiry and any application, and may not be able to assist you with City services.

Your information, including personal information, will be disclosed to City representatives who are authorised to review information on behalf of the City including to recommend or make decisions regarding your enquiry or your account or payments. Your information, including personal information in any support documents and other background details, may also be released to government agencies or third parties as required by law.

By continuing with your enquires or application, you consent to the City's use of your personal information for these parking and related purposes including as set out in any terms and conditions for parking and related services and for release to City contracted service providers whether in Australia or internationally if their protection of your personal information is the same or more beneficial than that provided by the City of Perth.

Additional information is available on the City's website at [Privacy and Personal Information Statement | City of Perth](#) and you may also contact the City's Privacy Officer at privacy@cityofperth.wa.gov.au or telephone (+618) 9461 3333 for any queries about how the City collects, manages and discloses your personal information, or to request access to, and correction of, your personal information.
